Planet Stun Gun

Double Trouble Stun Gun - 1.2 Million Volts!

\$64.95

1,200,000 volts of POWER!

Created to double your chances of stopping an attacker! This unique patented design promises to deliver over a million jolts of power. Made in the shape of a horseshoe, the soft rubber grip is easy to hold and hang on to.

Safety switch and red light lets you know when the stun gun is ready to fire. It also comes with its own contoured carrying case. Its only 6 inches long and weighs just 6.9 oz.

You can touch the attacker with either contact point to give them a jolt.Â Just by hitting the trigger will give a cracking sound loud enough to scare attackers and animals away.Â Â Also, be safe in knowing that if the attacker grabs you, the voltage of the stun gun will not transfer back to you.. it will stay in their body.

Includes:

- Double Trouble Stun Gun - 1.2 Million Volts of Power
- Unique Patented Design that you won't see anywhere else
- Soft rubber contour grip assures control
- Safety switch and a "ready to use" red LED indicator.
- Leather Carrying Holster
