## Holster Mate - Bedside Gun Holder

\$18.95

Sleep Tight! Your pistol will never leave your side again. Just slip your holster off your belt onto this handy bedside bracket. Holster Mate slides between your conventional mattress and box springs. The Velcro backing always keeps it in place. You can remove the Velcro and use HolsterMate with a bed skirt. It works with most all large and small slide holsters with a 1½" metal clip. Size: 4" x 10-5/8". Color: Black.
